

Wholesale/Reseller Program

Port-of-Call, Global Port-of-Call, and Conferencing are available as wholesale services for redistribution under your brand. We have a growing list of countries and cities around the globe where DID's (phone numbers) are available. Wholesale partners are able to get substantial discounts our published retail rates.

DESCRIPTION OF SERVICES

Port-of-Call – Inbound virtual PSTN numbers that forward to a SIP address.

- Unlimited inbound minutes per DID (single line appearance only)
- Outbound minutes not included
- Codec G711 is supported in all areas
- Codec G729 is supported in some areas (subject to testing in desired region)
- Purchases must be in Blocks of 20 DID's per country selected
- One time set-up fee per DID
- All termination will be to SIP address(s) provided by customer
- Set-up Fee and monthly charges are on a pre-paid basis

Global Port-of-Call – Inbound virtual PSTN numbers that are forwarded to another PSTN or mobile number

- 500 minutes per month forwarded to an existing DID
- 1000 minutes per month also available
- Outbound minutes not included
- Purchases must be in Blocks of 20 DID's per country selected
- One time set-up fee per DID
- Set-up Fee and monthly charges are on a pre-paid basis

Libré-ation Conferencing – IP based voice conferencing service with PSTN access numbers.

- Global dial-in access numbers
- Instant (one time use), Weekly scheduled, or Unlimited (anytime) meeting rooms
- Available for 8 or 16 participants

DESCRIPTION OF Business Terms*

- All services are prepaid (Credit card, Check or wire transfer)
- Resellers are given a master account accessible through our website
- Credits are posted on the master account for self provisioning

Once you have reviewed this program, please send an e-mail notification to sales@libretel.com and we will assign you a sales representative that will answer any additional questions you may have and outline a VoIP Services Agreement so you can begin selling the above services right away.

*This will be covered in more detail in the LibreTel VoIP Services Agreement

Following is a list of the countries and cities we currently have DID numbers for: (as of 1/3/05)

Country	Setup	Monthly fee*	City	Area Code	Country	Setup	Monthly fee*	City	Area Code
Brazil	\$12.95	\$16.95	Sao Paulo	11	USA	\$8	\$6	Boston, MA	617
